

The 23rd IEEE Hiroshima Section Student Symposium

~"Innovation" to the new lifestyle~
November 27th – 28th 2021
in Yamaguchi (Online)

Sponsored by IEEE Hiroshima Section

Introduction to HISS

IEEE Hiroshima section will be held the 23rd IEEE Hiroshima Section Student Symposium (HISS). HISS is an event, "for society by student" mainly planned and managed by the students.

About the IEEE

The Institute of Electrical and Electronics Engineers (IEEE) is the world's largest technical professional organization dedicated to advancing technology for the benefit of humanity. IEEE and its members inspire a global community through its highly cited publications, conferences, technology standards, and professional and educational activities. There are more than 124,000 student members in over 160 countries. These student members contribute to the growth and vitality of IEEE.

Symposium Date and Venue

Date : November 27th and 28th, 2021

Venue : Online

Technical Presentation

In this symposium, we will provide Technical Presentation as a place for student presentations. Presenters share each other's thoughts on presenter's paper between participants and presenters in the Technical Presentation. Presenters can use various research equipments during Technical Session. In International(English) Session, the presenter makes a poster in English. During Technical Session, the presenter describes his/her poster in English.

Paper Submission

Those who participate this symposium, you need to register the information on your paper first. Registration contents include "title of a research", "author", "field" and "summary (about 300 words)". For that summary, please write down clearly and simply. Then, after registering information, you need to submit a paper for review before **September 27th**. Your paper will be selected depends on peer reviews. Finally, the selected authors must submit "the final manuscript (camera-ready)" before **November 8th** in consideration of the comments from the reviewers and do a technical presentation at the venue based on "the final manuscript (camera-ready)" within two days.

Prepublication Paper

Please send a PDF file (up to 5MB) of your paper to the following address.

E-mail : hiss23tp@yamaguchi-u.ac.jp

In the email, please include your name, address and affiliation.
