

2025 New Senior Members

Last Updated June 13, 2025

● January

Section	Name		Society
Fukuoka Section	Elkouss	David	Information Theory Society Young Professionals
Nagoya Section	Shao	Xun	Communications Society Young Professionals
Nagoya Section	Uehara	Hideyuki	Communications Society
			Communications Society Computational Intelligence Society Computer Society Systems, Man, and Cybernetics Society Vehicular Technology Society
Sapporo Section	Dong	Mianxiong	
Sendai Section	Kanamoto	Toshiki	
Sendai Section	WANG	WENSHENG	
Tokyo Section	Hara	Takafumi	Young Professionals
Tokyo Section	Hirai	Akihito	Microwave Theory and Technology Society Solid-State Circuits Society
Tokyo Section	Mizuno	Takeshi	Control Systems Society
Tokyo Section	Nogi	Akihiko	Solid-State Circuits Society
Tokyo Section	Ohkubo	Masataka	

● March

Section	Name		Society
Kansai Section	Masashige	Suwa	
Tokyo Section	Michiaki	Tatsubori	
Kansai Section	yalikun	yaxiaer	Young Professionals
			Electron Devices Society Power Electronics Society Reliability Society
Shin-Etsu Section	Tatsuhiko	Fujihira	
			Computer Society Circuits and Systems Society Solid-State Circuits Society Young Professionals
Tokyo Section	Heming	Sun	

● April

Section	Name		Society
Nagoya Section	Kentaro	Kobayashi	Communications Society Vehicular Technology Society
Sapporo Section	Ling	Xiao	Robotics and Automation Society
Tokyo Section	Renhe	Jiang	Young Professionals
Tokyo Section	Sheng	Li	Signal Processing Society

Section	Name	Society
---------	------	---------

● May

Section	Name		Society
Kansai Section	Hiromitsu	Awano	Circuits and Systems Council on Electronic Design Automation Young Professionals
Nagoya Section	Hiraku	Okada	Communications Society Photonics Society Vehicular Technology Society
Tokyo Section	Taro	Arakawa	Photonics Society
Tokyo Section	Takeshi	Chujoh	
Tokyo Section	Kengo	Nishimoto	Antennas and Propagation Society
Tokyo Section	Terumi	Umematsu	Women in Engineering Young Professionals
