### Chair Greeting

On the occasion of the inauguration of “IEEE Tokyo Section Life Members Affinity Group (LMAG-Tokyo)” and on behalf of the newly established LMAG-Tokyo Section office, I would like to express my sincere thanks to Dr. Y J Park, Region 10 Director, Dr. J. Sun Kim, Region 10 Regional Life Member Coordinator, Dr. AOKI Japan council Chair for their warm encouragement for establishing LMAG in Tokyo Section, and also for Tokyo Section staff.

LMAG's objective or spirit is to enrich each member's life through wide-ranged collaboration, stemming from their invaluable long-ranged experiences and deep knowledge, resulting in contribution to IEEE activities or more widely human welfare.

The inauguration day: October 8<sup>th</sup> is just the IEEE Day that celebrates its foundation in 1884, 126 years ago.

Bearing the LMAG spirit in mind, I hope LMAG-Tokyo's activity will contribute to future science and technology development worldwide through collaboration not only among LMAG members but young scientist and engineers. I also hope, someday in the future, the LMAG-Tokyo inauguration day will be commemorated just as the IEEE Day is as today.

LMAG-Tokyo is a just born baby, but I am confident that it will grow day by day thanks to enthusiasm of each member.

For Prosperous Future!!

IEEE Tokyo Section Life Members Affinity Group

Chair Kohei HABARA

### General Assembly Report

(Front row, from left) LMAG Vice Chair Usui Ph.D.,  
Chair Dr. Habara, Secretary Mochida Ph.D.

(Back row, from left) Japan Council Past-Chair Prof. Harashima,  
Japan Council Chair Dr. Aoki, Tokyo Section Chair Imai Ph.D.

The IEEE Tokyo Section Life Members Affinity Group General Assembly was held on Friday, October 8, from 10:30 a.m. at ARCADIA ICHIGAYA, Tokyo.

After the opening address by Prof. Imai, IEEE Tokyo Section Chair, the Officers of LMAG-Tokyo were elected and the Action was reported. Next, Dr. Aoki, IEEE Japan Council Chair and Prof. Harashima, Past-Chair gave a complimentary speech.

In details, please read [the General Assembly report](#) in the LMAG-Tokyo site (Japanese only).

Attendees on the General Assembly: 25 persons

## Lecture Report

Dr. Eiju Matsumoto (IEEE Life Member, Japan Council History Committee Secretary)

The 2010 Fourth Commemorative Lecture of IEEE LMAG-Tokyo and IEEE Tokyo Section was held with about 50 participants at the Banquet room "Asuka" on the 4th floor in Arcadia Ichigaya on Friday October 8, at 11:00 am, after the organization meeting of IEEE Tokyo Section Life Members Affinity Group.

Dr. Eiju Matsumoto (IEEE Life Member), the secretary of the IEEE Japan Council History Committee, gave the lecture titled "IEEE Milestone and Experience of Technical Tour PANAMA - participate IEEE International Forum and deliver the History of Technology in Japan". He was involved to obtain certification of the Yagi-Uda Antenna (the first award in Japan). He also spoke about the acquisition know-how of the IEEE Milestone based on his

experience for 14 domestic certifications. He introduced about the Panama Canal tour of the first time in which self participated and other technical tours planned by IEEE Life Members. Furthermore, there was the future plan to attract this tour to Japan.

---

## Membership renewal

In order to ensure the continuation of all your member services and publications for 2011, it is necessary that you verify your membership information and confirm those IEEE publications you wish to continue to receive. You can do this online at [www.ieee.org/renew](http://www.ieee.org/renew), or by returning the enclosed paperwork sent from IEEE Head Quarter.

If you haven't already done so, please consider making a donation to the IEEE Life Members Fund and help sustain meaningful and deserving programs that you care most about. Over US\$300,000 in annual philanthropic support is distributed from the Life Members Fund to: encourage and enhance interest in engineering, science and math at all educational levels; promulgate the history of electrical and information technologies; and utilize the vast experience of IEEE Life Members.

For more information, e-mail [supportieee@ieee.org](mailto:supportieee@ieee.org).

---

## Event information

### The 2011 Annual General Assembly

The 2011 Annual General Assembly will be held in about March, 2011. More information will follow in 2011.
