IEEE Tokyo Section Educational Activities (EA) Committee
presents

My Personal Journey with IEEE

Featuring

SUSAN K. LAND

2022 IEEE Past President

Susan K. (Kathy) Land was IEEE President and CEO in 2021. An IEEE Fellow, she has more than 30 years of experience in application of software engineering methodologies, and leading software development teams. In this talk, she will share the impact IEEE had on her career, and provide insights, inspiration, and encouragement to the attendees while challenging them to think about their goals.
