

Reviewing Procedure of the IEEE MTT-S Japan Young Engineer Award

Approved June 10, 2008

Revised April 16, 2009

Revised April 12, 2011

Revised March 10, 2015

Revised March 29, 2023

1. The Award Committee will be established in March every year. The Award Committee consists of the Chair/Vice-Chair/Secretary of the IEEE MTT-S Japan Chapter, the Chair/Vice-Chair/Secretary of the IEEE MTT-S Kansai Chapter, the Chair/Vice-Chair/Secretary of the IEEE MTT-S Nagoya Chapter and those appointed by the Chair of the Award Committee. The Chair of the Award Committee should be the Chair of the IEEE MTT-S Japan Chapter or the Chair of the IEEE MTT-S Kansai Chapter or the Chair of the IEEE MTT-S Nagoya Chapter.
2. The applicant himself/herself submits the application details to the Award Committee Secretary by the end of June.
3. The winners are selected by the Award Committee.
4. The Award Committee is responsible for the presentation ceremony and presents the certificate of merit and the cash award to the winners during the period of the Microwave Workshop and Exhibition or Asia-Pacific Microwave Conference.
