1st Announcement
Message from General Chair

It gives me great pleasure, on behalf of the Organising Committee, to invite you to participate in the IEEE Region 10 International Conference on Electrical and Electronic Technology (TENCON 2001) to be held on SuperStar Virgo, Straits of Malacca Cruise. Brought to you by Asia-Pacific’s best cruise operator, it’s a hive of exuberant activity, with deck after exhilarating deck of just about everything under the sun, including dozens of dining, entertainment and recreation outlets. You will also be experiencing the very best parts of Malaysia, Singapore and Thailand as we make stops at Phuket Island, Langkawi Island, and Singapore.

The TENCON conference has the unique feature of holding multi technical tracks to bring academics and engineers from all over the world to meet each other and to exchange technical information. It is an event made up of several mini-symposiums to truly stimulate and promote cross-disciplinary interest among all researchers.

I would like to extend a warm welcome to you and look forward to meeting you at the conference. Do not miss this opportunity!

Lawrence Wong
General Chair
IEEE TENCON 2001

Paper Submission
